

TO THE PEOPLE WHO
LOOK AT THE STARS
AND WISH.

Vincent (Starry, Starry Night)

G A C D E

Starry, starry night

E D C A D E A

Paint your palette blue and grey

E D C A D E A

Look out on a summer's day

C C B A G A B C D E

With eyes that know the darkness in my soul

G A C D E

Shadows on the hills

E D C A A D E A

Sketch the trees and the daffodils

E D C A A D E A

Catch the breeze and the winter chills

C C B A G A B C D C

In colors on the snowy linen land

C D E C D

Now I understand

D E F G E E E

What you tried to say to me

E E E E D C A E D D

And how you suffered for your sanity

D D D D E F D E

And how you tried to set them free

E E F E D C A D E A

They would not listen, they did not know how

B B C D B C

Perhaps they'll listen now

When you Wish Upon A Star

G G F E D E A

When you wish upon a star

B B A G F G C

Makes no difference who you are

D C B A G F E

Anything your heart desires

D A B G

Will come to you

G G F E D E A

If your heart is in your dream

B B A G F G C

No request is too extreme

D C B A G F E

When you wish upon a star

D A B C

As dreamers do

Fly me to the Moon

C̣ B A G F

Fly me to the moon

A C̣ B A G F E

Let me play among the stars

A G F E D E F G

Let me see what spring is like on

G E E D C

Jupiter and Mars

C D A A C̣ B G

In other words, hold my hand

C D A A C̣ B A G

In other words, baby, kiss me

Ċ B A G F F A Ċ B A G F E

Fill my heart with song and let me sing for ever more

A G F E D E

You are all I long for

F A G F E D C

All I worship and adore

C D A A Ċ B G

In other words, please be true

A A C C D C C

In other words, I love you

Maybe the Night

G C B A G G E A E E

I want to lay down by the fire with you

G C B A G G E A E E

Where souls are glowing, ever warmer too

G C B A G G E A E E

Your love surrounds me like a lullaby

G C B A G E A E E

Singing softly, you are mine oh mine

D C D E D C E G

Moon has never glowed this color

D C D E D C G

Hearts have never been this close

D C D E D C E G

I have never been more certain

Moon River

G D C B A G F G

Moon river wider than a mile

C B A G E G C D

I'm crossing you in style someday

E C G E

A dream maker

D C G E

You heartbreaker

E C E G C B A B A G A

Wherever you're goin', I'm goin' the same

G D C B A G F G

Two drifters off to see the world

C B A G E G C D

There's such a lovely world to see

E C E G C D C G B A G F G

We're after the same rainbow's end, waitin' 'round the bend

C B A G F G C E D E C

My huckleberry friend, moon river, and me

But I can't help falling in love with you

\dot{D} \dot{E} \dot{F} \dot{E} \dot{D}

Would it be a sin

\dot{G} \dot{A} \dot{B} \dot{C} \dot{D} \dot{E} \dot{F} \dot{E} \dot{D} \dot{C}

If I can't help falling in love with you?

\dot{C} \dot{E} \dot{G} \dot{B} \dot{A} \dot{C} \dot{E} \dot{G} \dot{B} \dot{A}
